The Honorable Kay Granger, Chairwoman  
House Appropriations Committee

The Honorable Rosa DeLauro, Ranking Member  
House Appropriations Committee

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Urban Agriculture and Education Farm Improvements in fiscal year 2024. The entity to receive funding for this project is the AsianWeek Foundation, located at 809 Sacramento Street, San Francisco, CA 94108. The funding would be used to renovate the Farm's one acre site with agricultural improvements to grow more crops, and to create a 9,000 square foot Farming Education site with training exhibits for residents to learn about how to grow their own food. The project is an appropriate use of taxpayer funds because it creates a hyper-local community food system in which Bayview residents have a high level of control over their food.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

best regards,

  
NANCY PELOSI
